

# How to Use

- You can print out the pages for your child, or have them read our social story on a tablet, phone, or computer. Use whatever works best for your child!
- Use roleplay or provide specific reinforcements to help your child practice the skills in this social story! For example, after finishing this story, you can practice playing dreidel or lighting candles.
- This social story is part of our series on holidays. You can find the rest on our website: <https://www.speechandaba.com/>

# Happy Hanukkah!

by Essential Speech & ABA Therapy

**Hanukkah is the festival of lights! It is eight days long.**

**Every night, we will light candles on  
the Hannukiah (or Hanukkah  
Menorah.)**

**This year, we will:**

---

---

---

---

---

---

**My family will light the  
candles. I can watch!**

---

---

**I can help a grown-up  
light the candles. I will  
ask to help first!**

---

---

**When I am older, I can  
light the candles by  
myself!**

---

**This year, I will:**

---

---

---

---

---

---

**I can eat yummy foods on Hanukkah! There are *latkes* (potato pancakes) and *sufganiyot* (donuts with jelly.)**

---

---

**If I don't like  
these foods,  
it's okay! I do  
not have to  
eat them.**

---

**This year, I will eat:**

---

---

---

---

---

I can play a  
game called  
Dreidel. To  
play, I can spin  
the Dreidel.

**If it's hard to  
spin the  
Driedel, I can  
ask for help.**

---

**There are many ways to celebrate Hanukkah. I can sing songs or read a Hanukkah book.**

---

**This year, I will:**

---

---

---
