

# TRICK OR TREAT!

My name is \_\_\_\_\_

I have a disability and this is my way of saying trick or treat. Please keep this card as my thank you for letting me trick or treat at your house!

# Trick or Treat

MY LITTLE PUMPKIN HAS AUTISM AND CANNOT YET SPEAK. PLEASE ACCEPT THIS AS MY THANK YOU FOR BEING SO SWEET!

My name is \_\_\_\_\_ and I'm autistic. I'm doing my best to trick or treat with my family, but sometimes it's hard for me. I might not say please or thank you, but please know that you're making my holiday special.  
Thank you!
