

How to Use

- You can print out the pages for your child, or have them read our social story on a tablet, phone, or computer. Use whatever works best for your child!
- Use roleplay or provide specific reinforcements to help your child practice the skills in this social story! For example, after finishing this story, you can discuss the message with your child and roleplay similar situations.
- This social story is part of our series on holidays. You can find the rest on our website: <https://www.speechandaba.com/>

Essential Speech & ABA Therapy

TRICK  R

TREAT

**Halloween is on
October 31st.**

A lot of people like to dress up on Halloween. They might dress up as vampires, mummies, ghosts, and more! I can dress up, too.

This year, I will dress up as:

People also like to go
trick or treating.

**Trick or treat is when
kids go door to door to
get candy.**

First, walk up to the house or apartment door.

Then, knock on the door.

Next, say “Trick or Treat” and hold out your bag or bucket. The person at the door will put candy or a treat in your bag.

**After they put the
candy in the bag, it is
best to say “Thank
you!”**

**THANK
YOU!**

When I trick or treat, I will:

**If there is a house with
no light on, that
means they do not
have candy.**

It is best to go trick or treating with family or other safe adult.

**This year, I will go trick or treating
with:**

**Trick or treating is
very fun! Happy
Halloween!**
